### JONES FAREWELL TO REPUBLICANISM.

It requires a good deal of nerve for a man who has been a party leader for a quarter of a century in active politics to cut the ties of party and bid it an everlasting farewell.

Senator Jones has calmly and deliberately severed these ties and announces that he is now a member of the Populist party. The accession of a man of Jones' calibre and reputation in the world of politics, to the ranks of the new party has sent a tremor of apprehension along the ranks of the old parties and caused a profound sensation. It shows that thinking men, leaders in thought and action, are casting aside the garments of the old parties to array themselves in the robes of the new.

He will take with him an immense following through the United States, and in the next political campaign, the spectacle of J. P. Jones, so long a leader in the Republican party, on the stump pouring the broadsides of his oratory into the reeling hulk of the sinking ship of Republicanism, will be a pleasant one to the men who train under the new banner of justice to silver.

Holding as he does the right of the white metal to equal coinage with gold, he could not consistently take any other course.

### ALREADY KNOCKED OUT.

The idea that the accession of Senator Jones to the ranks of the silver party of this State knocks out the old Republican party, is not shared by the APPEAL. The Republican party has already been as dead as a split mackerel for nearly two years in this State. The course of Senator Jones will not make any material change in the voting strength of the Silver men, as every sincere friend of silver was in their ranks already, and were the angels of Heaven to come down and declare for silver, the hide bound gold men of this State who think more of party than silver, would still maintain a stubborn refusal to be contented. They are men beyond the reach of reason and logical argument, and they had better stay right where they are. They are not needed to carry Nevada for silver.

### A Horror.

The recent forest fires in Wisconsin and Minnesota have covered an area of about 600 square miles.

It is probably the largest conflagration in the history of the world. The flames swept through the immense timber region with such rapidity that the swift foot of the deer was insufficient to place him beyond the reach of the fiery tornado clearing a pathway through the forest.

Fourteen hamlets in the path of his hell of flame were wiped out with all their inhabitants.

At Hinkley the charred bodies of the dead were treated like cordwood.

Each day the search over the burned region reveals fresh horrors and the bodies of the dead twisted in the last agonies of death lies in heaps on every side. The loss of life is estimated will run into the thousands and the money loss into the millions. Some of the bloodiest battles of the war resulted in less destruction to life and property.

The old parties have placed wool on the free list.

### A Scrap of History.

About two years ago a few silver men met at the Carson Opera House and started a silver party. Occupying the platform were O. H. Grey, Jas. Torreyson, J. Poujade, John E. Jones and the editor of the APPEAL. The speakers were laughed at by the mob in front, and the jeers had such an effect on Grey, Torreyson and Poujade and they took good care never to be seen on that platform at the next silver meeting.

Of these State officers, Jones alone had the courage of his convictions and he stayed with the game. As a result he got the nomination for Governor last Wednesday. Had the other three State officers followed Jones lead they would now be sure winners on the Silver ticket.

When you are sure you are right go ahead.

### Exempt Property in Ormsby.

There is in the County of Ormsby nearly one million dollars worth of property absolutely exempt from taxation.

The records show the following:

United States	\$ 375,000
State	\$ 472,968
Widows	\$ 55,200
Church	\$ 20,000
County property	\$ 39,100
Total	\$ 962,268

Of 82 widows only 22 pay taxes over \$2000, the amount of a station.

### Nerve and Principle.

While A. C. Pratt of Ormsby was a candidate for Surveyor General and not knowing where he stood in the convention he was offered a trade of 31 votes for 5 against Ormsby county. But Ormsby had pledged her 12 votes to Pratt and Pratt had both nerve and principle enough to refuse to go back on his friends even with the prospect of his refusal meaning defeat.

### Holy Moses.

Omaha, September 7.—The Union Pacific has issued a notice to all its employees in the future to abstain from any participation in politics and the discussion of subjects tending in that direction is being prohibited. All men not willing to keep out of politics are requested to resign.

The Colorado Populist Convention adjourned yesterday after nominating a full ticket. The platform, consisting of less than 150 words, demands the free and unlimited coinage of silver at a ratio of 16 to 1, protests against the issuance of Government bonds in time of peace and insists on the National Government having exclusive control of all money issued by its authority.

It is thought that the split in the Knights of Pythias Lodge may be the result of the liquor and German questions that are now under discussion by the Grand Lodge at Washington. The German Lodges will probably withdraw and form a separate organization and it is also thought that the committee will report against recognizing the Pythian Sisters as an order.

The Treasury Department is in receipt of reports stating that the red salmon which have been so plentiful in the waters of the extreme Northwest have been destroyed at such a rate by wholesale fishing for canning purposes that unless Congress interferes to impose some restrictions the fish will soon become extinct.

E. B. Rail has just received a good stock of the Oliver Chilled Plows also the John Deere Steel Plow, and extras for the same. He has added to his other goods to make the stock complete.

The last issue of the "People's Press" prints a life-like picture of the next Mayor of San Francisco—Adolph Sutro, nominee of the "People's" party. See it at Cagwin & Notewares.

Notice is hereby given that the Register is open from 10 a. m. to 4 p. m. Sunday and legal holidays excepted, for the registration of legal voters in Carson township, Ormsby County Nevada.
